SAMPLE BALLOT
RECALL BALLOT
CITY OF ATOMIC CITY
BINGHAM COUNTY, IDAHO 83215
AUGUST 28, 2018

INSTRUCTIONS: Vote for such choice as you desire by placing an X in the small square at the left of the statement.

RECALL OF DAVE SONNENBERG, HOLDING THE OFFICE OF CITY COUNCIL MEMBER SEAT 2, OF THE CITY OF ATOMIC CITY, FOR THE FOLLOWING REASONS:

1. He refused to show up to a special meeting set in place by the Mayor for the purpose of the filling City Council Seat #3. At the next month's City Council meeting, he walked out prior to the meeting starting. This resulted in the City Council not being able to do City business.
2. Since January of 2018, Mr. Sonnenberg has prevented the City from moving forward because of his unwillingness to accept Mayor Polatis' appointee for Seat #3 of the City Council.
3. He has participated in closed meetings with a former council member and a current council member that have resulted in decisions being made outside of an Open Meeting, which are in violation of the Open Meeting Laws of the State of Idaho.
4. He has met with Bingham County Planning & Zoning on behalf of the City without the Mayor asking him to and without the Mayor's approval.
5. He has stated that he is okay with preventing the City from moving forward for the next year and a half until City Council Seat #3 is filled with someone he feels qualified.

Councilman Sonnenberg's Response to Recall

Dated this 4th day of July, 2018

A Recall Petition to have Councilman Sonnenberg removed from office was circulated after confronting Mayor Polatis regarding numerous illegal activities perpetrated by he and Councilwoman O'Haro since mid December 2017. Assistant Chief Deputy Attorney General Brian Kane described one as being "**a crime**" in his letter to the Mayor dated June 1, 2018.

Signed: David M. Sonnenberg

Please select ONE of the following:

- FOR** recalling Dave Sonnenberg, who holds office of Seat #2, City Council of Atomic City, Idaho.
- AGAINST** recalling Dave Sonnenberg, who holds office of Seat #2, City Council of Atomic City, Idaho
